

JOIN THE GREAT LAKES CONSERVATION CORPS

As a member of the GLCC you will work on a crew with like-minded individuals to complete conservation projects that benefit Upper Peninsula communities and the surrounding Great Lakes.

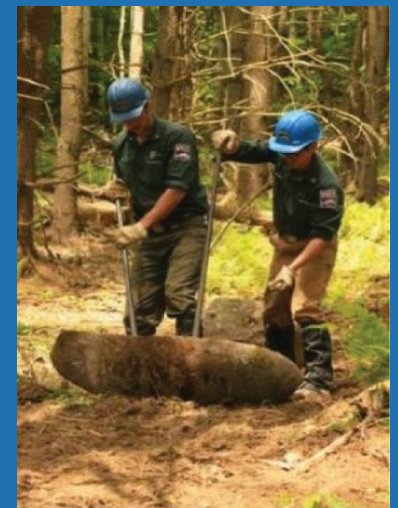

GLCC Crew Capabilities

- Watershed protection and restoration
- Trail construction and maintenance
- Wildlife habitat restoration
- Carpentry-including bridges, fencing, and staircases
- Beach clean-up and dune restoration
- Invasive species removal and control
- Native species restoration
- Community Projects

Positions are limited so apply now at:

www.superiorwatersheds.org!

Must be 18-24 years old to apply.

Hunter, Crew of 2012:
"It is a highly beneficial program for both the individual member and for the communities they work in. I had a great summer being a part of it!"

All questions should be directed towards **Emily Goodman**,
GLCC Crew Leader and Coordinator at **Emily@superiorwatersheds.org**
