

**WHEN YOU'RE WASHING
YOUR CAR IN THE DRIVEWAY,
YOU'RE NOT
JUST WASHING YOUR CAR
IN THE DRIVEWAY.**

Did you know that there are over 3,300 storm drains in the City of Marquette and they ALL drain to Lake Superior! Stormwater is a Resource, Not a Waste Product. Please Help Keep it Clean!

Suggestion: Wash your car on the lawn or use a local car wash facility.

**Brought to you by the Superior Watershed Partnership. For more information contact the SWP:
