

SEMCO MAP Terms and Conditions

MAP will help low-income customers move to self-sufficiency by providing a monthly budget with a credit incentive for on-time payments. A known, monthly payment for natural gas will help customers plan and budget for energy needs, as well as reduce their potential for utility shut-offs.

1. Eligibility

- a. Income equal to or less than 150% Federal Poverty Level (FPL) guidelines.
- b. No unaddressed theft, fraud, or bankruptcy.
- c. Residential gas customer.

2. Program Benefits

- a. Monthly Benefit
 - i. Monthly budget uniquely established for every customer using income and annual consumption.
 - ii. Reconciliation payment may occur in the program year if funding is available.
 - iii. Monthly credits for active customer based on average consumption and customer's FPL.
- b. Shut off protection.

3. Expectations

- a. Applicant lives at the address where MAP benefits will be received.
- b. Monthly bill payments made on time.
- c. Monitor, maintain, and/or reduce energy charges when possible.
- d. Call Superior Watershed Partnership or SEMCO ENERGY if having trouble making the monthly payment.
- e. Notify SEMCO ENERGY if moving to a new location.
